

We have created a scrapbook of the Oklahoma All-Star Centennial Band activities covering the year and half of its existence to commemorate the fun times and friendships made. It provides photos of the kids in every event the band was involved with (band camp at OU, home town parades, Bandfest, Rose Bowl Parade and Centennial Spectacular).

This scrapbook is hard bound and is 11" x 8 ½". It was created using Creative Memories software and the photos supplied to us by OETA and Centennial Band members/families. Purchasing is handled through Creative Memories – we make no profit on the sale of these items, the cost is set by them. My Creative Memories consultant (Diana Bittle) is the representative for the company that we use and her name needs be used for transactions associated with this scrapbook, so you will see it throughout the order form.

If you are interested in ordering a scrapbook, the cost is \$49.95 plus tax and shipping (they have a promotion where shipping is free if you place your order by June 6 – you must use coupon code **SBFREESHIPSP08** in order to receive the free shipping). A credit card is required to purchase the scrapbook online. I placed my order on a Friday and received the scrapbook the following Thursday, so they have a pretty fast turnaround on the orders.

To order/view online, click the following link (if link is not clickable, highlight the entire line and copy/paste it into your Internet Explorer):

You will have to create an account with Creative Memories in order to purchase the scrapbook, so click "**Next>>**" to sign up. Enter the information requested (name, email, password), uncheck the "**I want to receive e-mail...**" check boxes and you must check the last checkbox "**Yes, I agree to the terms and conditions.\***". You can click on "**terms and conditions**" to read them if you so desire. Once everything is complete, click the "**Join Now!**" button.

The scrapbook is available in the "**My Friends' StoryBooks**" section. From here, you can preview the scrapbook or place your order. Coupon code for the free shipping can be entered in the "**Do you have a gift certificate or promotion code?**" section of the order form (SBFREESHIPSP08). The transaction is made through Creative Memories' encrypted website, so the credit card information you are entering will be securely transmitted. On the Payment page, you will need to check the "**Verify Consultant...**" checkbox before clicking the "**Place Order**" button.

We really had fun putting this book together and reliving the memories – we hope you enjoy it also! 2007 was a wonderful year and the band was awesome! You should all be very proud!
